MUNICIPAL ORDINANCE NO. 02
SERIES OF 2020

AN ORDINANCE ESTABLISHING A COMPREHENSIVE NUTRITION PROGRAM TO ADDRESS MALNUTRITION AND SUSTAINED PROGRAMS FOR NUTRITION FOR THE MUNICIPALITY OF BAYAMBANG, PANGASINAN AND APPROPRIATING FUNDS THEREOF.

Authored by: **COUNCILOR BENJAMIN FRANCISCO S. DE VERA**

EXPLANATORY NOTE

WHEREAS, this ordinance recognizes that all nutrition interventions shall be a mode in improving the quality of life of an individual in the municipality specifically to help the people especially those who are unable to enjoy the right to good nutrition to provide their nutritional needs. The ordinance also aims to uphold the implementation of the nutrition program and services which the Municipal Government through the Municipal Health Office The Municipal Government also intends to set up a separate Nutrition Office later to ensure that the Comprehensive Program on Nutrition will be effectively and efficiently implemented;

NOW THEREFORE, on motion of SB Member Benjamin Francisco S. De Vera, duly seconded;

BE IT ENACTED, by the Sangguniang Bayan of Bayambang in session assembled that:

ARTICLE 1
TITLE, POLICY, PRINCIPLES, AND DEFINITION OF TERMS

SECTION 1. TITLE. This ordinance shall be known as the BAYAMBANG COMPREHENSIVE NUTRITION PROGRAM ORDINANCE.

SECTION 2. DECLARATION OF PRINCIPLES. The Municipal Government of Bayambang shall uphold the right to food and nutrition of its constituents as a vital part of human development and optimum function. It recognizes that all nutrition interventions shall be anchored to the Philippine Government's commitment to Millennium Development Goals (MDGs) and the over-all goal of Philippine Plan of Action for Nutrition in improving the quality of the human resource base of the country and to have substantial decrease in child and maternal morbidity, mortality and overall disease burden.

The Municipal Government believes that it is the main responsibility of families in achieving nutritional well-being and thus, the duty of the government to help the families in the municipality especially those who are unable to enjoy the right to good nutrition.

It also recognizes that multi-stakeholders' participation, evidence-based interventions, and good governance are the key elements for the nutrition improvement of the municipality.

SECTION 3. DEFINITION OF TERMS. For this ordinance, the following terms are hereby defined:

- (1) Breast milk substitute means any food being marketed or otherwise represented as a partial or total replacement for breast milk, whether or not suitable for that purpose.
- (2) Complimentary food means any food, whether manufactured or locally prepared, suitable as a complement to breast milk or infant formula, when either becomes insufficient to satisfy the nutritional requirements of the infant. Such food is also commonly called "weaning food" or breast milk supplement.
- (3) Exclusive breastfeeding means providing breast milk as the sole source of nutrition for infants.
- (4) Infant refers to a child within zero (0) to eleven (11) months and 29 days of age.
- (5) Infant formula refers to breast milk substitute formulated industrially under applicable Codex Alimentarius standards, to satisfy normal nutritional requirements of infants up to six (6) months of age, and adopted to their physiological characteristics.
- (6) Young children refer to a child age 1 year up to 3 years old.
- (7) Lactation station refers to a private, clean, sanitary and well-ventilated rooms or areas in the workplace or public places where nursing mothers can wash up breastfeed or express their milk comfortably and store this afterward.
- (8) Rooming-in refers to the practice of placing the newborn in the same room as the mother right after delivery up to discharge to facilitate mother-infant bonding and to initiate breastfeeding. The infant may either share the mother's bed or be placed in a crib bedside with the mother.
- (9) First one thousand (1000) days of life refers to the period of a child's life spanning the nine (9) months in the womb starting from conception to the first twenty-four (24) months of life, which is considered to be the critical window of opportunity to promote health and development and prevent malnutrition and its life-long consequences;
- (10) Work place refers to work premises, whether private enterprise or government agencies.
- (11) Food fortification refers to the addition of Sangkap Pinoy Seal or Micronutrient such as vitamin A, iron and iodine to food, whether or not they are normally contained in the food, to prevent or correct demonstrated deficiency with one or more nutrients in the population or specific population groups.

Republic of the Philippines
PROVINCE OF PANGASINAN
MUNICIPALITY OF BAYAMBANG
OFFICE OF THE SANGGUNIANG BAYAN

~000|000~

- (12) Kabataan Hub refers to an approach adopted from Positive Deviance Heart in the Filipino context that seeks to address malnutrition by looking at practices that work well in the community and building those to improving the nutritional status of children and sustaining these improvements through changing the behaviors of caregivers.
- (13) Philippine Plan of Action for Nutrition or PPAN 2017-2022 refers to the national government's strategic priorities to contribute to improving the quality of the human resource base of the country and to have substantial decreases in the child and maternal and overall disease burden.

ARTICLE 2
PROGRAMS AND SERVICES FOR NUTRITION

SECTION 4. NUTRITION PROGRAM AND SERVICE. The municipal Government shall implement and sustain the Nutrition Program and Service to primarily cater to children and mother's needs. It shall adopt the nutrition framework of the Department of Health and other nutrition-related models that have been proven cost-effective to address malnutrition.

4.1 PROMOTION OF INFANT AND YOUNG CHILD FEEDING. The Municipal Government shall monitor and promote, support and protect breastfeeding through early initiation within one (1) hour after birth; exclusive breastfeeding for six months and introduction of complementary food from the 7th month onwards in various settings like home, municipal Rural Health Units, barangay health station, birthing facilities and workplace to ensure safe and adequate nutrition for all infants and young child. It shall implement intervention such as follows:

- 1) Organization and continuous capacity building of community-based or breastfeeding support (peer counselors) groups in every barangay on infant and young child feeding.
- 2) Training of health and nutrition workers, including those in birthing facilities and the workplace, on counseling on infant and young child feeding.
- 3) Setting up lactation stations in the workplace either government or private establishments with lactating mothers.
- 4) Enforcement of the Milk Code on the marketing of Breast milk substitutes (EO 51).
- 5) Home fortification of complementary food through the use of multiple micronutrient powder.
- 6) Develop IEC materials on infant and young child feeding (IYCF) related concerns especially during Breastfeeding Month Celebration (every August),
- 7) Integration of IYCF concerns in the curriculum of primary, secondary education.

Republic of the Philippines
PROVINCE OF PANGASINAN
MUNICIPALITY OF BAYAMBANG
OFFICE OF THE SANGGUNIANG BAYAN

~000|000~

4.2 MATERNAL AND CHILDCARE PROGRAM. The Municipal Government shall implement and support its Maternal and Child Care Service Program which shall cater to the health of the mother which affects the child in the womb with the end in view of delivering a healthy baby such as follows, but not limited to;

- 1) Counseling to mother during prenatal and after birth on appropriate dietary intake as well as appropriate feeding for the child.
- 2) Encourage facility-based births and strict implementation of early initiation of breastfeeding within an hour after delivery.
- 3) Implementation of Mother-Baby Friendly Centers and shall incorporate mother-friendly labor and birthing practices in the health facilities policies or standards operating procedures including:
 - a. Clean birthing technique
 - b. Delayed cord clamping (3minutes)
 - c. Collaboration/consultation with other maternity services including maintaining communication with all caregivers when a referral or transfer is necessary.

4) Train staff responsible for maternity services on essential and emergency obstetric and newborn care.

5) Motivate and refer pregnant women for STD/HIV/AIDS screening, TB testing, and voluntary counseling and treatment.

6) Introduction of culturally-sound Reproductive health care including appropriate birth spacing.

4.3 STRENGTHENING INTEGRATED STRATEGY FOR MATERNAL, NEONATAL, CHILD HEALTH AND NUTRITION IN THE FIRST ONE THOUSAND (1000) DAYS OF LIFE. The Municipal Government shall ensure programs in support of RA 11148 or the "Kalusugan at Nutrisyon ng Magnanay Act of 2018" which aims to:

- 1.) Reduce the prevalence of nutritionally-at-risk pregnant women;
- 2.) Reduce the prevalence of stunting and wasting/thinness among children 0-23 months old;
- 3.) Achieve age-appropriate developmental milestones for 0-23 months old

4.4 SUPPLEMENTARY FEEDING AND ESSENTIAL CARE PROGRAM IN SCHOOLS, RESIDENCE-BASED CENTERS AND COMMUNITY CHILDREN.

The Municipal Government shall support the regular supplementary feeding and provision of essential care programs for school children particularly those who schools with high cases of malnutrition, daycare centers and community children within the municipality. Through the Department of Education (DepEd) and other non-government organizations, the Municipal Government shall:

- 1) Promote inclusion of nutrition education in the school curriculum and develop child-friendly materials on nutrition, hygiene, and sanitation like proper hand washing, nutritious and more.

- 2) Support in the establishment of safe drinking water and sanitary toilet facilities in schools and daycare centers including the promotion of hygiene practices like hand washing.
- 3) Regular monitoring of child growth and development through the help of School Heads/Principals and barangay health workers.
- 4) Integrate behavioral change approaches among caregivers and mothers on nutritional feeding.

4.5 COMMUNITY - BASED BEHAVIOR CHANGE APPROACH FOR MOTHERS CAREGIVERS FOR MOTHERS/CAREGIVERS IN THE PREVENTION OF MALNUTRITION THROUGH KABATAAN NUTRITION HUB

This empowers families and communities to address malnutrition by using locally and affordable means. With the use of local resources and wisdom, Pinoy Nutrition Hub helps families and communities nurture malnourished children who are 6-59 months of age. PNH is a sustainable method in reducing under nutrition with these key elements.

- 1) **Nutrition Security.** Opportunities for families to learn and practice good caring, feeding, hygiene, and health-seeking behaviors to fully nourish their children.
- 2) **Food Security.** Adequate food intake from food sources that are readily available regularly supports the needed balanced diet of a family, especially that of a growing child.
- 3) **Self-reliance.** Positive behaviors learned and sustained along with the resources available in the community and regular family income enable self-reliance.
- 4) **Community action.** It takes a community where leaders, volunteers, and families to work together to raise children and even more so to make that they grow up healthy and well-nourished.
- 5) **Spiritual Nurture.** Children with their parents/caregivers are nurtured spiritually to fully experience the love of God.

4.6 MICRONUTRIENT SUPPLEMENTATION AND FOOD FORTIFICATION. The Municipal Government shall ensure the uninterrupted supply of micronutrients to reduce and prevent the prevalence of Vitamin A deficiency, iodine deficiency, and anemia among children, pregnant and lactating women. It shall strive to provide the following:

1. Vitamin A supplementation for children under five years old through the Garantisadong Pambata Expanded Program and high-risk cases specific children with measles; Iron supplementation of pregnant women for 180 days as well as weekly Iron supplementation of non-pregnant women including adolescent females; iodine deficiency disorders they are not well reached by adequately-iodized salt.

Republic of the Philippines
PROVINCE OF PANGASINAN
MUNICIPALITY OF BAYAMBANG
OFFICE OF THE SANGGUNIANG BAYAN

~000|000~

2. Close monitoring of food fortification and salt iodization stored, displayed and sold at food establishments, stores, and retail outlets within the municipality.

3. Support the promotion of home-based and/or community-based production and consumption of foods rich in nutritional value particularly Vitamin A and iron supplements needed through the provision of materials for the establishment of household backyard gardens.

4.7 COMMUNITY - BASED PRODUCTION AND UTILIZATION. The Municipal Government shall promote the availability of food at the household level through Food Always in the Home (FAITH) framework. In coordination with Municipal Agriculturist Office (MAO) and other organizations with programs on food security and agriculture, the Municipal Government shall ensure the availability of food supply at affordable prices.

Further, it shall support agri-related projects like animal raising, diversified farming, and family income-generating projects that support the family's economic access to food such as the creation of local employment opportunities, support to micro-enterprises, skills development through Alternative Learning System (ALS) and financing to small entrepreneurs.

4.8 PROMOTION OF HEALTHY LIFESTYLE. The Municipal Government shall intensify the promotion of a healthy lifestyle to prevent cases of overweight/obesity among children and adults through campaigns on healthy eating, physical activity, and wellness program. It shall uphold the following:

- 1.) Wellness programs with a nutrition component in elementary and secondary schools and the workplace and shall not be limited to early morning exercise.
- 2.) Enforcement of the school policy regulating the school canteen on the sale of cola drinks and junk foods in line with the promotion of good nutrition.
- 3.) Regular observance of physical exercise like marathons, fun runs, community dancing exercises and more.
- 4.) Appropriate nutritional care of older persons and overweight persons.

4.9 IMMUNIZATION PROGRAM. The Municipal Government shall ensure program on preventive childcare and health services that include the completion of immunization series for prevention of tuberculosis, diphtheria, pertussis, neonatal tetanus, measles, poliomyelitis, hepatitis B, and such other diseases for which vaccines have been developed for administration to children before reaching one (1) year old, additional doses of measles, mumps, and rubella (MMR) during the ages of twelve (12) to fifteen (15) months.

4.10 MONITORING, AND REPORTING OF CHILDREN'S HEIGHT, WEIGHT, AND MID-UPPER ARM CIRCUMFERENCE (MUAC). The Municipal Government through the Municipal Health Office shall adhere to the monitoring and reporting standards set by DOH on monitoring of children's weight, height and mid-upper arm circumference and shall use only generally accepted and calibrated measuring tools and equipment like height boards,

weighing scales (salter scale, beam balance) and MUAC tape. Periodic training of nutrition program implementers (Barangay Nutrition Scholars and Barangay Health Workers) on proper measurement and usage of information generated shall also be conducted.

ARTICLE 3 ROLES OF VARIOUS SECTORS

SECTION 5. THE FAMILY. --The family is the central unit responsible for the primary attainment of the nutritional well-being of their children and the entire family. The parents have the right to choose nourishing and culturally accepted interventions for their children as long as it will not impede child growth and well-being.

SECTION 6. THE YOUTH. --The youth shall actively participate or organize various projects/activities regarding community nutrition improvement.

SECTION 7. THE EDUCATIONAL INSTITUTIONS. --Educational institutions shall work together with parents, community organizations and agencies concerned with the nutrition-related activities of children and youth. Educational institutions shall incorporate into their curriculum a subject on nutrition education, yet, subject to guidelines set by the Department of Education (DepEd) and the Commission of Higher Education (CHED)

SECTION 8. THE LOCAL GOVERNMENT UNIT. --The local government unit (LGU) shall come up with comprehensive nutrition programs for children, pregnant, lactating mothers, youth, elderly, allocate appropriate budgets for their implementation and adopt key nutrition policies and guidelines.

SECTION 9. THE BARANGAY COUNCILS FOR NUTRITION. --These councils shall, in addition to their existing duties and functions, coordinate with and assist their corresponding LGU in coming up with comprehensive nutrition programs and plans and be the primary body to oversee the implementation of such programs.

SECTION 10. THE SERVICE USERS OR COMMUNITY PEOPLE. --The community or residents within the municipality shall actively help the LGU in monitoring the implementation of nutrition initiatives by educating and mobilizing local citizens'/ service users on their rights & responsibilities; provide avenues to voice-out and influence decisions through dialogues and non-confrontational ways.

SECTION 11. THE BREASTFEEDING SUPPORT GROUPS AND CORE TEAMS ORGANIZED. --The created support groups like breastfeeding support groups and core teams created through various program implementation of different agencies shall be maximized and mobilized in awareness programs related to nutrition.

SECTION 12. THE MASS MEDIA. --The mass media shall use its power to influence by all means to promote campaigns related to Nutrition like Early Childhood Care and Development for the First 1000 Days (ECCD F1K), Infant and Young Child Feeding (IYCF), healthy lifestyle and the like with utmost care and consideration to its audience particularly mothers and children.

SECTION 20. MANDATORY CAPABILITY BUILDING FOR THE MEMBERS OF THE LOCAL COUNCIL/COMMITTEES FOR NUTRITION.— To ensure efficiency and effectiveness, all members of the Local Nutrition Committees from the municipality up to barangays shall undergo formal trainings related to nutrition like WHO-Child Growth Standards (CGS); IYCF, Nutrition Program Management, Water, Sanitation, and Hygiene (WASH), Nutrition In Emergency (NIE), Civic Engagement thru Citizen Voice and Action (CVA) and other skills development learning sessions.

SECTION 21. INTERNAL RULES FOR LOCAL NUTRITION COMMITTEES.

--The local committees for nutrition shall adopt their own internal rules of procedures and regulations to serve as guidelines for the members in the discharge of their official functions such as the organizations structure, parliamentary procedure, order of meeting and quorums, discipline, and such other rules the committee may adopt.

SECTION 22. CREATION OF MANDATORY POSITIONS HANDLING NUTRITION PROGRAMS.

--The Municipal Government shall ensure the creation of mandatory plantilla positions that will handle the nutrition programs. At the municipal level, there shall be Municipal Nutrition Action Officer (MNAO) and Nutrition Technical Staff; and, for the barangay level, there shall be Barangay Nutrition Scholars with incentives to perform duly their tasks.

SECTION 23. MONITORING AND EVALUATION OF NUTRITION PROGRAM IMPLEMENTATION.

-- The Municipal Government shall design and popularize monitoring and evaluation system in line with the Philippine Food and Nutrition Surveillance System which includes collecting, processing, and analyzing data that will indicate progress of plan implementation of both output and financial utilization levels; assessing the progress toward achieving the plan targets in terms of changes in the nutrition situation; and providing early warning on an impending worsening situation in specific parts of municipality.

SECTION 24. RECOGNITION OF HIGH PERFORMING BLGUS ON NUTRITION PROGRAM.

--The Municipal Government shall design an award system for high performing barangay local government units in delivering nutrition programs and shall create an award governing body to oversee the planning, preparation and awarding ceremony.

SECTION 25. MODELING OF EFFECTIVE NUTRITION INTERVENTIONS.

--The Municipal Government shall replicate the identified cost-effective models on nutrition or recognized during awarding by coming up with good documentation and easy-to-follow operating procedures.

ARTICLE 5
PENAL PROVISIONS

SECTION 26. PENALTIES AND SANCTIONS.

A. PENALTY FOR REFUSAL OR NEGLECT ON THE PART OF ANY GOVERNMENT OFFICIAL EMPLOYEE TO IMPLEMENT THIS ORDINANCE. Any government official or employee duly charge to implement this ordinance who refuse or neglect his duty, shall be punished with not more than three (3) months suspension from service without pay, provided; that due process on administrative discipline as established under Civil Service Laws shall be strictly observed before the said penalty imposed to such another.

B. Any person violating provision of this ordinance except those stated in the preceding section shall be penalized with the existing ordinance, however, if cast and circumstances warrant the filing of legal action under national law, the latter shall be given preference.

ARTICLE 6
BUDGETARY APPROPRIATIONS

SECTION 27. The Municipal Government shall allocate funding to support the implementation of this ordinance. A minimum of one (1%) of the Internal Revenue Allotment (IRA) or from its annual budget shall be set aside for this purpose.

For each barangay, there shall be a regular appropriation of funds not less than fifty percent of one percent (0.5%) from its annual and/or supplemental budgets to support the administrative and operational needs of the Barangay Nutrition Committee.

ARTICLE 7
FINAL PROVISIONS

SECTION 28. IMPLEMENTING RULES AND REGULATIONS. --Within six (6) months after the approval of this ordinance, rules and regulations necessary for the efficient and effective implementation of all provisions of this ordinance shall be formulated.

Such rules and regulations shall take effect fifteen (15) days after posting in the three (3) conspicuous places in the Municipality of Bayambang.

SECTION 29. SEPARABILITY CLAUSE. -- It is the Sanggunian's intent if any section, subsection, clause or provision of this ordinance is deemed invalid or unconstitutional by a court of competent jurisdiction, and such portion will become a separate provision and will not affect the remaining provisions of this ordinance. The Sanggunian further declares its intent that the provisions of this ordinance would have been adopted if unconditional provision was not included.

Republic of the Philippines
PROVINCE OF PANGASINAN
MUNICIPALITY OF BAYAMBANG
