Dear Sir:

Greetings from the DENR Pangasinan Family!

This March, the world will be celebrating the 2017 World Water Day. The event is an international observance which is celebrated every year on 22nd of March to raise global awareness about the value and importance of fresh water for humanity and the planet and also advocates for sustainable management of freshwater resources.

This year, PENRO Pangasinan is planning to celebrate the World Water Day with the theme "Water and Wastewater" by conducting a province-wide simultaneous "River/Estero Clean-up activity on March 22, 2017.

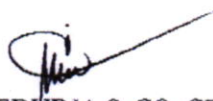

In view of the foregoing, we are inviting you to be our partner in this undertaking. May we also earnestly request your office's assistance particularly through a memorandum encouraging LGUs within the Province of Pangasinan to join the activity on the aforementioned date by conducting a clean-up activity within their respective jurisdiction in support to the celebration and documenting the same with pictures. Their output will be compiled here at the office and will be published and submitted to the DENR Central Office.

If you have any questions, queries, or any suggestions, please contact us through the numbers provided above.

Thank you very much for your unrelenting support and hoping for your favorable response.

More power to you Sir and Godspeed!

Respectfully yours,

 LEDUINA S. CO, CESE
 PENRO Officer
